

15 BESPOKE BARREL OF TENCH VINEYARD + 3 Michelin Star Farm Dinner!

Anybody can pick up the phone and order a case of Oakville's elite Cabernet Sauvignons. But for a Napa Valley Wine Lover, there are no greater bragging rights than to own your own custom, single-vineyard Cabernet Sauvignon from a great site, made by an elite winemaker, in a brilliant vintage.

Originally planted in the late 1960s, **Tench Vineyard** sits on Oakville's sun-drenched, red-andesite-laden east side. It's adjacent to **Screaming Eagle** in the same neighborhood as **Rudd**, **Dalla Valle**, and **Phelps Backus Vineyard**, and has produced multiple **100-point wines**.

In the hands of **Maayan Koschitzky**, head of Winemaking for **Atelier Melka**, and **Vanessa Conlin MW**, the team behind the new cult brand **Pas de Cheval**, the fruit from the Tench Vineyard produced a truly magical Cabernet Sauvignon in the 2021 vintage. The winner of this lot will claim a single barrel of this custom **Pas de Cheval Cabernet Sauvignon**, enough to regale your family and friends for decades.

To celebrate your win, you'll also enjoy an in-season, farm-to-table **dinner for six** at **Fresh Run Farms** in Bolinas, prepared by MICHELIN 3-Star **Chef Michael Tusk**. Each course will be paired with wine selections selected by Vanessa Conlin MW.

lot includes:
