

# 19 LET'S GET CRITICAL! A NIGHT WITH LISA PERROTTI-BROWN MW

For the last decade plus, just about every Napa and Bordeaux wine worth bottling—no matter how exclusive, expensive, or hard to find—passed through the glass of **Lisa Perrotti-Brown MW**.

Perrotti-Brown, co-founder and editor-in-chief of **The Wine Independent**, wields one of the weightiest pens in the wine world. She spent over a decade at **The Wine Advocate**, including eight years as editor-in-chief, which means she could make fortunes and break hearts with a simple two-digit—or, praise the lord almighty, three-digit-number.

This is a once-in-a-lifetime chance to put your palate to the test and drink some PHENOMENAL wine with one of the luminaries of the wine world. You'll enjoy a private dinner for six with Lisa at downtown Napa's incredible **Compline Restaurant**, where you'll indulge in wines from Lisa's cellar in an Old World - New World Showdown!

Rhetorical questions: Do you think, in twenty-plus years as a globetrotting wine critic, Lisa has amassed a pretty impressive collection? Do you think she'll have a few **perfectly aged jaw-droppers** to pop that night? Most importantly, do you think another chance like this will be coming along anytime soon?

Don't answer. Just bid.
