

# 5 "TOR'S CUT" OF BECKSTOFFER TO KALON

Sometimes it's impossible to have too much of a good thing. Clear some cellar space for ten cases of one unforgettable wine that shows off the expertise of two **Napa Valley Legends**: grower **Andy Beckstoffer** and proprietor **Tor Kenward**.

**Beckstoffer To Kalon Vineyard** is a gentle slope of gravel and loam alluvium on the western foothills of the Oakville appellation and has drawn worldwide acclaim for the intense black fruit and poise of the wines made from its grapes. This page may not be big enough to list the number of 100-point scores this vineyard has produced in the last 28 years.

TOR works with six blocks of **Cabernet Sauvignon** and two blocks of **Cabernet Franc**, which Beckstoffer's team prunes to only one cluster per shoot to ensure optimum ripeness and concentration in the finished wine. Tor says of his 2019, "As great as past To Kalons have been it is very hard to single this out as the best but in a few years, I would not be surprised to see it there."

Luckily, you'll have a 10–20-year supply in your collection to watch this phenomenal Cabernet develop over time.
