13 Beckstoffer Magnifique Magnum Lot!

If you could fill your cellar with twenty (20) magnums bearing one famous name, what would that name be?

The answer we're looking for is Beckstoffer, because it's solid gold. After fifty years of farming Napa Valley, Andy Beckstoffer and his Heritage Vineyards—Bourn, To Kalon, Dr. Crane, Las Piedras, George III, and Missouri Hopper—have provided incomparable Cabernet to top producers too numerous to name.

For this lot, Andy has donated enough Beckstoffer-bred Cabernet to form the foundation of a world-class cellar: 20 magnums from names like Alpha Omega, Carter, Schrader, Tor, Vice Versa and more. Our advice?

Figure out who your friends are now, because you'll be fighting off the whole neighborhood once they sniff out the lake of prime Beckstoffer wine in your cellar. SPECTACULAR!
