Bottle of Red, Bottle of White... Magnums

There aren't many, but there are a few California wines that truly deserve to be mentioned among the Montrachets, the Vosne-Romanées—the absolute best of Burgundy, even the Grands Crus.

This lot includes an exquisite six-pack of Chardonnay and Pinot Noir magnums that represents the summit of Burgundian winemaking in California. Featuring bottles from Aubert, Kongsgaard, Kistler, Marcassin, Rivers-Marie, and RAEN, it's a stunning collection that proves that not everybody in California is ready to crown Cabernet as king.

Lot includes...all in magnums:
