

## Best of the West

Beckstoffer To Kalon Vineyard, Detert Vineyard, MacDonald Vineyard, Martha's Vineyard, Morisoli Vineyard, and Vine Hill Ranch Vineyard: These vineyards represent some of the finest terroir on Earth. This Grand Cru swath of western Napa Valley produces some of the world's most revered and collectible wines—and you get to experience it like no one else.

It starts with drinks under the oaks at Vine Hill Ranch. After mingling in the vines, you'll settle in for dinner with the stewards behind these legendary vineyard sites: Andy Beckstoffer, Laura May Everett, Tom Garrett, Alex and Graeme MacDonald, Chris Morisoli, and Bruce and Heather Phillips. They'll share stories—and of course, some of the most celebrated bottles ever produced on their unique sites.
