

Amy Burkman: Artist for the Animals

Special guest again this year, Amy Burkman is a professional muralist, multi-media artist, animal lover, philanthropist, and seasoned live art entertainer – and will be kicking off the Live Auction with her beautiful painting energy on stage! Amy will be transforming a large canvas - 3' x 4' - into a sensational painting in less than ten minutes and then it will be auctioned off! The painting will be representative of the mission of Jameson Humane.

Amy creates both an exciting experience, and a one-of-a-kind highly collectible piece of art.
