

Pure Perfection—The Schrader Ultimate Collector Lot!

There's no shortage of 100-point wines in Napa Valley.

About half of them are in the cellar at Schrader.

Led by legendary winemaker Thomas Rivers Brown, Schrader has stood as this century's epitome of concentrated, collectible, hedonistic, and flat-out perfect Napa Valley Cabernet. And the winner of this lot will get to experience the depth, power, and history of Schrader in a way that most collectors can only dream.

You and NINE friends (10 people total) will be treated to an unforgettable dinner, featuring wines hand-picked and expertly paired by Schrader GM and Master Sommelier Jason Smith—priceless To Kalon bottlings from the gorgeous 2008, 2013, and 2015 vintages.

When the night's over, you'll take home two legendary Schrader Cabernets to your collection in rare 3-liter format: The 2004 Schrader Beckstoffer To Kalon Cabernet and the 2021 Schrader CCS.

It doesn't get more perfect than that.
