

Icons & Innovators: An Evening with the Mondavis

You and five (5) guests will receive a rare and coveted invitation to Continuum Estate's Pritchard Hill topping Sage Mountain Vineyard.

Upon arrival, your experience begins with a guided tour of the estate, offering a rare glimpse into the place where Continuum wines are born. On clear days, the panoramic southern views stretch all the way to San Francisco's iconic Financial District.

During your visit, you'll have the opportunity to see the Monarch Electric Tractor—a true game-changer in sustainable viticulture. After your tour and estate visit, you'll head to a private dinner, hosted by members of the Mondavi family, featuring a seasonally inspired menu designed and prepared by the family's private chef, thoughtfully paired with wines from Continuum, RAEN, and Senticum.

At the conclusion of the evening, you will receive your 6L bottle of 2022 Continuum signed by winegrower, Tim Mondavi, a 3-bottle 750ml set of the fourth generation's 2023 Senticum Sauvignon Blanc from Mendocino, and a 1.5L magnum of Carlo and Dante Mondavi's 2023 RAEN "Royal St. Robert" Pinot Noir from the Sonoma Coast.
