

Light It Up: Cannabis Xanadu, High-Level Access

It's a side of California's pot paradise that next no one gets to see.

By rare invitation of the stars of the upcoming film *OG—Right Side of History, Wrong Side of the Law*, the winners of this lot will vanish into Northern California's Emerald Triangle, the premier cannabis-growing region in the world, for a glimpse behind the green curtain.

First, you'll spend a night at the off-grid Turtle Creek Ranch in the hills of northern Mendocino County. Your hosts at this sanctuary will be Nikki Lastreto and Swami Chaitanya, founders of Swami Select, longtime judges of the Emerald Cup, and two of the most revered luminaries on the globe. You'll have a personal cannabis tasting retreat, a grad-level lesson on rolling the perfect joint, plus dinner and a pancake breakfast. Trust us, you'll be hungry.

Then venture farther north into the redwoods for a visit with the elusive and iconic Kevin Jodrey, founder of Wonderland Nursery and The Ganjier, a global sommelier-certification program. You'll get a tour of a working Humboldt farm before heading to The Ganjier's pristine 243-acre Highlands Wilderness campus, where you'll enjoy local food pairings by chef Alex Scherma before spending the night in the Ganjier cabins!

Lot includes:
