5 “TOR’S CUT” OF BECKSTOFFER TO KALON

Sometimes it's impossible to have too much of a good thing. Clear some cellar space for ten cases of one unforgettable wine that shows off the expertise of two **Napa Valley Legends**: grower **Andy Beckstoffer** and proprietor **Tor Kenward**.

Beckstoffer To Kalon Vineyard is a gentle slope of gravel and loam alluvium on the western foothills of the Oakville appellation and has drawn worldwide acclaim for the intense black fruit and poise of the wines made from its grapes. This page may not be big enough to list the number of 100-point scores this vineyard has produced in the last 28 years.

TOR works with six blocks of **Cabernet Sauvignon** and two blocks of **Cabernet Franc**, which Beckstoffer's team prunes to only one cluster per shoot to ensure optimum ripeness and concentration in the finished wine. Tor says of his 2019, “As great as past To Kalons have been it is very hard to single this out as the best but in a few years, I would not be surprised to see it there.”

Luckily, you'll have a 10–20-year supply in your collection to watch this phenomenal Cabernet develop over time.

TOR
NAPA VALLEY

lot includes:

- 10 cases (120 750ml bottles) of
**2021 TOR Beckstoffer To Kalon

8 A GLIMPSE BEHIND THE CURTAIN: BOND

Coveted. Collectible. Closed to all but a rarefied audience. **BOND** and **The Napa Valley Reserve** produce some of Napa Valley's most important and loved Cabernets, and the only thing we can imagine being more elusive and thrilling than a glass... is getting a glimpse behind the curtain.

H. William Harlan's vision has been to produce California's equivalent to a First Growth from his Oakville hillsides. Since the estate's founding in 1984, he and his team have transcended that original goal. Robert Parker called their first vintage "one of the most promising and profound Cabernet Sauvignon-based wines made in California," and later went on to say, "**Harlan Estate** might be the single most profound red wine made not just in California, but in the world."

BOND represents Harlan's perfectionist approach applied to five different terroirs around the Napa Valley that, over his 40+ years of wine production, have repeatedly shown themselves to be their own pieces of art. Acclaim from critics and the trade has consistently been superlative since BOND's founding in 1996.

The Napa Valley Reserve is a private club founded by Harlan in 2000 with a Membership for those who share a passion for wine and the way of life that surrounds it. While grape growing and winemaking are central to The Napa Valley Reserve experience, Members share other passions as well, including travel, the sporting life, culinary arts, fine art and legendary automobiles, among others.

This lot will prove tempting to the wine lover who demands only the best in Napa Valley. It's a weekend to regale the senses for your party of 6, based at **Meadowood** in St. Helena, packed with a private visit to BOND, lunch at The Napa Valley Reserve with **Amanda Harlan Maltas**, and an educational seminar hosted by **Kelli White, author of Napa Valley Then and Now**. 12 ARIETTA'S H BLOCK — A WIDE OPEN CELLAR NIGHT

lot for six guests includes:

- Multi-course Dinner for six with **Fritz** and **Caren Hatton** at the Arietta Victorian in St. Helena, paired with up to 25 vintages of **Arietta H Block Hudson Vineyards Red Wine**, plus a few other vinous surprises

Last fall **Arietta** began its quarter century anniversary celebrations, and they have yet to abate. The winning bidder is invited with a group of up to six bacchantes to a private dinner with **Fritz** and **Caren Hatton** at the **Arietta Victorian** in **Saint Helena**, or perhaps another equally colorful venue. The group will select any (or all) of the 25 vintages of **Arietta H Block** produced since its founding in 1996. The abundance of **H Block** will not eliminate the possibility of other wines to accent the evening's multi-course menu.

"H Block" is regarded as Arietta's signature wine, a **Cabernet Franc** and **Merlot** blend conceived as an homage to the wines the Hattons adore from the **Right Bank** of **Bordeaux**. These vines in **Lee Hudson's** famous windswept acres in Carneros are now in their 36-year-old prime, and produce this, one of Napa's most graceful and expressive reds. It will be fascinating to see how each vintage has evolved, especially accompanied by Mr. Hatton's free-flowing color commentary.

Well-behaved dogs are welcome to this event, but they can't have any **H Block**.

17 ROCK OUT (AND BEAT SAMMY HAGAR!)

Sammy Hagar Wants to Know: What's In Your Wallet?!

If you're a buttoned-down, country-club type of wine lover who likes to take tiny, tentative sips to the gentle sounds of a string quartet, then this lot might not be for you.

But if you like to crack a bottle case of Napa Cabernet, crank the good times to 11, and go pedal-to-the-floor

until the last drop is gone, there's no way you can pass on an acoustic guitar handmade by **David Beckstoffer** and signed by Sammy Hagar himself!

David has been crafting guitars for fifteen years, and everything about this 12-fret, OM-style guitar is top-notch: The back and sides are Amazon rosewood, the top is Sitka spruce, the fingerboard and "Crown of Thorns" rosette are both inlaid with ebony—and of course, a grape-leaf logo graces the headstock.

This is true: Acoustic guitars age like fine wine. Over time, the wood gets more rigid, meaning more resonance, volume, and sustain—in other words, it sounds better and better. This one was crafted in 2014, so like a Cabernet whose tannins are getting silky, it's just hitting its stride now. You heard Hagar on it!

To make the offer even sweeter, Napa Cabernet deity and rocker **Bob Foley** is tossing in **THREE, 3-Liter library Cabernets**, so you and your friends have something to sip as you take this awesome axe for a spin.

The **Van Halen** front man kicked off the bidding at \$5K. Bang back a tequila shot, get wild, WIN, and when you whip out this guitar, you can tell your friends you outbid the Red Rocker!

lot includes:

- Three, 3-Liter library **Robert Foley Vineyards Cabernets**, signed by Bob Foley himself:
 - 2014 Robert Foley Vineyards Cabernet Kelly's Mountain 3L
 - 2015 Robert Foley Vineyards Cabernet Napa Valley 3L
 - 2016 Robert Foley Vineyards Claret 3L
- **David Beckstoffer's** handcrafted guitar, signed by **Sammy Hagar**

18 THE TOUGHEST TICKETS: TUSK AND THE MASTERS!

One is a thrilling, once-in-a-lifetime event that many dream about, but few ever get to experience.

The other is The Masters.

Put them together and you've got one of the greatest lots we've ever had the opportunity to present. Four nights at a luxurious four-bedroom house in Augusta, Georgia, for the **2023 Masters golf tournament**, where you'll watch Scheffler, and Rory and Rahm (and maybe even Tiger) do their thing on the world's biggest stage.

But while the rest of the sunburned masses will be swilling Michelob Ultra and downing hot wings, you'll be taking part in one of the most elusive wine experiences in the world: a **TUSK wine dinner**, hosted by TUSK proprietor **Tim Martin** and featuring TUSK wines, crafted by **Philippe Melka**. TUSK, of course, is the unobtainable Cabernet that always pops up on a list of Napa Valley's most expensive wines and is basically harder to get than the Green Jacket.

The first of four major championships and considered the most prestigious of them all, the tournament is held yearly at the Augusta National Golf Club. Entry to the tournament is by invitation, making it the major golf championship with the smallest field of players. Many traditions surround the event, one of them being the awarding of the green jacket to the tournament's winner.

19 LET'S GET CRITICAL! A NIGHT WITH LISA PERROTTI-BROWN MW

For the last decade plus, just about every Napa and Bordeaux wine worth bottling—no matter how exclusive, expensive, or hard to find—passed through the glass of **Lisa Perrotti-Brown MW**.

Perrotti-Brown, co-founder and editor-in-chief of **The Wine Independent**, wields one of the weightiest pens in the wine world. She spent over a decade at **The Wine Advocate**, including eight years as editor-in-chief, which means she could make fortunes and break hearts with a simple two-digit—or, praise the lord almighty, three-digit-number.

This is a once-in-a-lifetime chance to put your palate to the test and drink some PHENOMENAL wine with one of the luminaries of the wine world. You'll enjoy a private dinner for six with Lisa at downtown Napa's incredible **Compline Restaurant**, where you'll indulge in wines from Lisa's cellar in an Old World - New World Showdown!

Rhetorical questions: Do you think, in twenty-plus years as a globetrotting wine critic, Lisa has amassed a pretty impressive collection? Do you think she'll have a few **perfectly aged jaw-droppers** to pop that night? Most importantly, do you think another chance like this will be coming along anytime soon?

Don't answer. Just bid.

lot includes:

- Private dinner for six with Lisa at **Compline Restaurant**, paired with wines from Lisa's private collection
- Mutually agreeable date prior to July 2023

20 FEW WORDS NEEDED: SCREAMING EAGLE

Years ago, Robert Parker described **Screaming Eagle** as “undeniably a great wine that competes on the world stage with the best that exist.”

That sums up **Screaming Eagle** in every vintage, which is why this lot requires few words. Any one of these wines would make a collection. Today, only one lucky wine lover gets to add them to theirs.

lot includes:

- Magnum of **1994 Screaming Eagle**, straight from the founder's cellar
- Magnum of Screaming Eagle's **2014 Second Flight** (now known as **The Flight**), straight from the winery cellar
- Three-pack of **2014 Screaming Eagle**—also aged in the winery cellar

21 FUND-A-NEED

When Jameson Humane was founded in 2014, the mission was predicated on protection, rescue, and adoption for all domestic animals.

Fast forward eight years later, and Jameson Humane has been called upon time and time again to lead, pivot, innovate, and provide impact in a wide range of areas including animal rescue, adoption, education, and advocacy, stemming the tide of overpopulation, disaster preparedness and response, community service for our senior citizens, houseless and low-income population, and domestic violence survivors, among many others.

Our community is **local, regional, statewide, and national** as animals in need don't recognize a zip code. Our best work comes when we are facing a challenge.

We, as a nation and a community, have experienced years of profound challenges. Tonight's Fund-A-Need is two-fold and is a novel response to the turbulence of the last several years, addressing the most current critical needs of our community: 1) immediate access to affordable veterinary care, and 2) mental health and healing.

Affordable Veterinary Care for Those in Need

During the pandemic, there was a severe shortage in the availability of veterinary care, and people and their animals have been suffering. The population of strays and surrenders has boomed, leading to overpopulation, distress, and death. We must address this, and quickly. Our Vet Mobile provides access to **affordable animal care—primarily spay/neuter services—** to those who are most in need. We have been working diligently to get our Vet Mobile on the road to serve as many people and their animals as possible. With your help, we can make these life-saving services available to many, many more!

Animal-Assisted Healing Program

We would be remiss if we did not take note of the state of our heavy, collective mental health. On top of the isolation, stress, and hardship felt during the pandemic, our nation has seen social and cultural strife, and disasters varying in severity due to the climate crisis. If you are not suffering, surely, you are close to someone who is or has been. Our Animal Assisted Healing program provides immediate relief to those experiencing myriad mental and physical health issues. We are addressing this by working with all sectors of our population, nationally, and enriching our animals' lives at the same time. It is staggering.

This is the first time in WineaPAWlooza history, we found it necessary to fund two essential programs, but we know that with your help, we can and will respond to both - and we start TONIGHT!

HOW YOU CAN HELP:

We need you to raise your paddles high and raise them often so that we can provide these life saving services to our community and beyond:

The ability to provide access to affordable Veterinary care for low-income humans and their animals, through Jameson Humane's Vet Mobile Program offering:

- Spay/neuter for all domestic animals
- Wellness checks
- Vaccinations and microchips
- Dentals
- Minor surgeries

To be able to provide access to an affordable Animal Assisted Healing Program to address the mental health crisis, specifically those suffering from anxiety and depression, including:

- Trauma in young children
- Teenage depression
- Domestic violence survivors
- First Responders suffering from PTSD
- Alzheimer's and dementia patients
