

LIVE IT UP ON THE LINKS: VEGAS WITH CRISTIE KERR

Nothing says the good life like golfing in Vegas, and the three couples (six [6] people total) that claim this lot will live the luxurious desert life with LPGA star and two-time major winner Cristie Kerr.

You'll stay for two nights in luxurious accommodations at one of MGM's Vegas properties, and spend a day any way you like: Three of the bravest among you will test your mettle with 18 holes at ultra-exclusive **Shadow Creek**, Golf Digest's #26 course in the country. This is where Tiger and Phil faced off in 2018, and as if the course weren't daunting enough on its own, you'll be joined by Cristie herself.

The rest of the group can enjoy an equally non-competitive spa treatment at the hotel. The best part is, whether your ego's battered by a day on the course with Cristie or your body's rejuvenated from a day of relaxation, you'll reconvene for a sumptuous Kerr Cellars wine dinner at one of MGM's award winning restaurants, hosted by Cristie.
