# BETTER THAN EVERLASTING LIFE

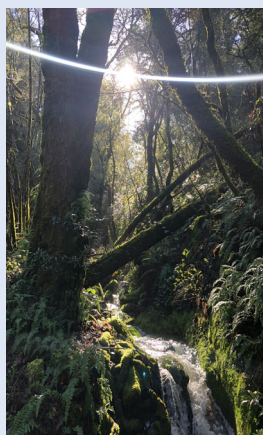

If you could live forever, you'd want to live like this.

But the clock is ticking on us all—which is why you'll want to take part in this one-of-a-kind wine country weekend, hosted by Ian Fenwick and Jeff Smith of Hourglass; and Tim Martin, Alex Smith and Daniel Nichols of Immortal Estate. You and three other couples (8 people total) will stay at Stanly Ranch Resort, Auberge Resorts' newest property and one of the most luxurious and long-awaited properties in all of Napa Valley.

You'll enjoy a VIP tour and tasting at Immortal Estate, located high on Spring Mountain, followed by dinner at Hourglass, which boasts one of the most incredible cellar spaces in Napa Valley. The only thing cooler than the cave will be the company: You'll be joined by a whole squad of ballers, including NFL legend Alex Smith and NBA star Kyle Kuzma. The rest of the time, you'll have access to Stanly Ranch's first-class concierge, who can set you up for anything you might desire: tastings, dinner reservations, you name it.

In case the stories aren't enough, each couple will leave with an etched 3L bottle of both Immortal and Hourglass wine.
