

THE TRUE EXCLUSIVE: CUSTOM CABERNET FROM RUSSELL BEVAN AND JESSE KATZ

Lot Never again. One and done. Exclusive. Sui generis.

Trust us: Win this lot, and you will never, ever get tired of coming up with new and obnoxious ways to express that you are the only soul on Earth who has this custom Cabernet, crafted by not one but TWO of Wine country's hottest talents from an extraordinary Napa Valley vineyard.

Russell Bevan is the gregarious, larger-than-life Cabernet craftsman behind Bevan Cellars, who at current count, has racked up more than we can track 100-point scores from Robert Parker's The Wine Advocate and Jeb Dunnuck. Jesse Katz is the Pétrus-trained Aperture winemaker who has not only compiled accolades from Wine Enthusiast, Wine Spectator, and Forbes, but was tapped by Justin Timberlake and Jessica Biel to make a wine for their wedding.

These two luminaries will put their super power talents together for the first time in order to make a custom Cabernet especially for you with grapes provided by BRION from the renowned 100-point Sleeping Lady Vineyard in Yountville. This vineyard is farmed by legendary Bettinelli Vineyards and the wine will be made by Russell and Jesse at BRION's newly renovated 1876 bank barn winery. You'll come away with 300 bottles of a truly rare wine. Give a few as gifts. Serve them to your most special guests. And no matter where or when you savor or sip, know that you're reveling in a legendary wine.

LOT INCLUDES:

- A custom-crafted barrel (25 cases) of 2021 Cabernet Sauvignon from the 100 point Sleeping Lady Vineyard, made by Russell Bevan and Jesse Katz at the BRION winery in Yountville.
