

MYRIAD OF MAGNUMS

The bad news: You can't just snap your fingers and all of a sudden have a covetable collection of Napa Valley Cabernets.

The good: This lot gives you the next best thing. More than fifty (yes, 50 plus) magnums of wine from this year's auction participants, enough to start any cellar off on the right foot, or bolster any existing collection. Our advice: Take stock of your friends now, because everyone is gonna want a piece of you one they realize you're sitting on 75 liters of Napa Valley's greatest wines.
