

Jameson Humane is an impact-driven nonprofit organization that collaborates and educates to inspire change in animal welfare, not only in local communities, but around the world.

Its program model includes a variety of novel solutions and approaches driven through education by integrating multiple programs under one roof to create a truly unique animal welfare organization that is unlike any animal rescue or sanctuary.

Every day, Jameson's work is guided by how animals, humans, and our planet are all inextricably connected.

PEACE OF MIND SOCIETY

A plan for your loving companion and peace of mind for you.

—Monica & David Stevens
Founders, Jameson Humane

JAMESON
humane

connecting animals, humans, and our planet

Jameson Humane provides the necessary love and care for Peace of Mind Society (POMS) members' animals, should their companions outlive them.

It is easy to become a member of POMS, so you have the assurance that your animal(s) will be loved, cared for, and rehomed in the most perfect placement possible.

As a member of the POMS, you are automatically enrolled in the Rainbow Bridge Circle — a special group of supporters that have included Jameson Humane in their will, trust, or other planned gift.

Our dedicated and caring staff will arrange the best care possible for your beloved companion(s).

"I have been searching for a solution for my dogs, should I pass on before they do. Knowing and supporting Jameson Humane already, it's reassuring to know that my pets will be cared for through the Peace of Mind Society. I couldn't be happier and have elected to support Jameson with a bequest to care for all the animals as my legacy."

—Mary, Volunteer & Donor

Steps to join Jameson Humane's Peace of Mind Society:

1. Complete the application (one per animal) that outlines information about your animal(s) and their personalities.
2. Assign a friend, family member, or executor of your will to be a temporary caretaker of your animal(s) upon your passing.
3. Enroll in POMS and name Jameson Humane as a benefactor. If you choose to include the gift in a will, you will need to make arrangements to include the POMS in that document. The will provision provides the funding necessary to support this program as part of Jameson Humane's mission to provide shelter, aid, and responsible adoptions to animals entrusted to our care. The will provision or trust must be a minimum gift of \$10,000 for each pet, but the funding does not need to come to Jameson Humane until your pet(s) are in need of the program's services. Your designated gift can be revocable and changed at any time, per your wish.
4. Announce your intent to include Jameson Humane in your estate plan. This brings you deeper into the Jameson Humane family, and we will invite you to special events and gatherings as a sign of our appreciation.
5. Schedule an in-person meeting, including your beloved companion animal(s), with one of our POMS associates, upon completion of this documentation and our application.
