You asked, and we heard!
ANNOUNCING JARR'S ANIMAL ADVOCATE CLUB!
Become a member today!

Many of you have asked "how can I help?" and we couldn't be more humbled by the way you have already shown up to help animals in need. Because so many are asking about what they can do to make a change, we've put together a simple program that will have a **BIG impact**: "JARR's Animal Advocates," our monthly donation club.

By becoming a member of JARR's Animal Advocates, you are taking a stand to help voiceless and helpless animals. Your reoccurring donation at a value that you have allocated will provide the necessary funding to help address immediate and serious calls for help. Since 2014, JARR has become an outlet for pet owners and citizens to call with questions, concerns, and pleas for help. Our newly formed Call Center (developed due to the increasing

We simply could not do what we do, without financial donations. Being a member of JARR's Animal Advocates brings you into our fold of animal emergency and rescue services. You are electing to help animals who:

- may require medical care and their owners cannot cover the expense;
- are found neglected or abandoned and need medical care, rehabilitation and love before they can be promoted for adoption;
- want to stay with their families but cannot if their owners have fallen on tough financial times and cannot afford their food or landlord required pet deposits;
- need spay or neuter procedures

We invite you to come and do great things with us to benefit domestic animals.

YOU can give these animals the life that they deserve in as little as a \$1 a day. When joining JARR's Animal Advocates with a reoccurring donation, you'll receive benefits too:

- JARR #Togetherwewill bumper sticker to showcase proudly
- A special thank you in our monthly newsletter when you sign up (with your approval)
- 25% off of merchandise at Ella's CatHouse & Adoption Lounge in downtown Napa including hats, T-shirts, and mugs
- VIP access to Ella's Cathouse to bring friends and family to visit
- Invitations to JARR's events

Start saving animals immediately! How will you choose to make a difference in a needy animal's life? They provide us unconditional love and emotional support but do not have their own voice.
