2018

BENEFITTING JAMESON ANIMAL RESCUE RANCH

## AUCTION LOTS

### Lot 2: Guess Who's Coming to Dinner?

- Lodging for three (3) couples for one (1) night at SingleThread Inn
- Dinner with Heidi and Bo Barrett for three (3) couples at Michelin two-star SingleThread with wine pairings
- Bottle of wine from Heidi and Bo Barrett's personal cellar served at dinner
- Three (3) magnums of Heidi Barrett wines (one per couple), signed by Heidi
  - 2015 Amuse Bouche Red Wine Napa Valley
  - 2015 Au Sommet Cabernet Sauvignon Atlas Peak
  - 2006 La Sirena Cabernet Sauvignon
- This will take place on a mutually agreeable date, and according to availability.

We know it is unlikely that bidding on this lot is part of your diabolical plan to soak up as much high-level Napa winemaking intel as you can before launching your own winery and taking over the world – but if that were your plan, it would be a pretty smart one.

You and two other couples (three couples total) will sit down for dinner with Napa Valley's unmatched Cabernet power couple, Heidi and Bo Barrett. Heidi's varied resume boasts names like Screaming Eagle, Dalla Valle, La Sirena, Showket, Amuse Bouche, and on and on. Bo was the force behind three rock-solid decades at the august Château Montelena. In short, you couldn't wish for two more accomplished winemakers with which to share a meal.

That meal might be the only thing powerful enough to pull you away from the conversation. You will dine at the new belle of the North Coast dining scene, Michelin two-star SingleThread in Healdsburg. Heidi will bring some wines along. And don't worry: After eleven courses and a night of wines by Heidi Barrett, we wouldn't want to drive home, either. All three couples will spend the night at the SingleThread Inn, and return home with a magnum of Amuse Bouche in hand.
