That persistent rumbling coming from down the coast? That is a tectonic shift, powered by the handful of ambitious winemakers shaping Paso Robles into one of the New World's marquee wine regions.

On your trip to California's beautiful Central Coast, you and two other couples (three couples total) will call the guest house at Booker Winery home base for two (2) nights, and dive deep into the scene that has made Paso a must-stop spot for increasingly impressed critics. You will leave none of Paso's finest soil unturned, as you enjoy private tours and tastings at Booker, Saxum Vineyards, Torrin, and L'Aventure; lunch at Linne Calodo and Niner Wine Estates; and a dinner prepared by a private chef in the plush comfort of the guest house. To commemorate the trip, each couple will go home with four (4) cellar-worthy souvenirs: magnums of Saxum, L'Aventure, Torrin, and Villa Creek.
