The future is female? Excuse us? Whoever coined that slogan would do well to take a look at Napa Valley, where women have been crushing it for decades.

The proof will be gathered around one table at Staglin Family Vineyard – and there happen to be six (6) more seats available. The fortunate guests will dine with Shannon Staglin, Carissa Mondavi, Helen Keplinger, Samantha Breton, Tessa Perliss, Jennifer Williams, Elizabeth Marston Leahy, Annie Favia, and Elan Fayard: some of Napa Valley's most lauded ladies. These women have smashed the patriarchy, unstuck stubborn fermentations, and accomplished everything in between.

JULY 27-28, 2018, GAMBLE FAMILY VINEYARDS
