BENEFITTING JAMESON ANIMAL RESCUE RANCH

AUCTION LOTS

E-Lot 4: Mixed Cases

- Four (4) cases of wine from this years WineaPAWlooza vintners valued at \$5000.
- One (1) lot available.

We do not recommend using this lot of 48 stunning wines to attempt to recreate the WineaPAWlooza experience in your own home. Instead, chip away slowly and steadily until next year's event. The night has featured 48 different wines from tonight's 48 generous vintner/winemaker donors, and you will find one of each in the four (4) mixed cases that will go home with one (1) fortunate bidder.

Pace yourself. Once a week, open one up and reflect on the generosity of the vintners and the magic that is WineaPAWlooza. When they start to dwindle, you'll know it's time to buy tickets to the 2019 auction, get dolled up, bid again, and repeat.
