If you love harvest-time in Napa Valley but are tired of getting your Manolos so muddy, this is your chance to get out of town and go full-Gotham!

You and a friend (two (2) people total) will attend the 2018 Badgley Mischka runway show, smack-dab in the middle of New York Fashion Week (September 8, 2018). You will choose two (2) gowns of your choice (one per person) from the Badgley Mischka Collection range, attend the 30th anniversary celebration during the runway show, and meet Mark Badgley and James Mischka backstage.

But where's the wine, you ask? You will also dine at Michelin two-star restaurant Marea, the Italian seafood Mecca on Columbus Circle in Manhattan, and keep Napa Valley on your mind with spectacular wine pairings.
